About us

Svoora is a brand of toys& gifts that aims at connecting the authenticity of the good old times with the play values and aesthetics of today.

We welcome the future with the smile of the past, while always being present!

Our Story

Svoora embarked on the quest to create exceptionally designed and high-quality toys, games, gifts and decoration items in 2015 after many years of experience and exploration in the fascinating toy business.

Bursting with ideas and driven by our passion for spinning tops, we named our brand Svoora, meaning 'spinning top' in Greek, and we started putting our ideas into action.

The result? Charming and inspiring products such as: timeless spinning tops, musical instruments, educational toys, colorful kaleidoscopes, challenging brain teasers and many more.

Faithfull to our quest for excellent design, creative concepts and high quality, we are constantly searching for fresh ideas, we keep experimenting and we continue exploring the amazing world of toys with the vision to offer exciting products that help children learn, connect and create in the most enjoyable way.
