DESTINATION:
THE LAND OF
FAIRYTALES

LET'S GO TO THE LAND OF FAIRYTALES

Once upon a time there was a land of fairytales. Den Goda Fen was searching for something special and found a place where everything was all about imagination, creativity, kindness and fun. This book is a little bit about all that, but mostly this is our way of inviting you on a journey. A journey through this magical place that we have created and wish to continue building with you.

Pack your dreams! We are going for a ride where we will be visiting princesses, zebras, witches, mermaids and Santa Claus. We are even travelling back in time to go see dinosaurs, and of course we will also encounter some fairies too.

Are you ready? Let's go!

COLLABORATIONS

We are proud to collaborate with some of northern Europe's most popular brands for children; Babblarna, Bolibompa and Lilla Spöket Laban. Together we have created cosy costumes which allows kids to dress up as their favorite character.

Babblarna was the very first collaboration Den Goda Fen made, and we are still very proud of how this one turned out.

This collaboration allows the youngest ones to dress up as Diddi, Dadda, Doddo, Bibbi, Babba and Bobbo in our popular mini capes. Equally colorful as playful!

"THEY HAVE SHOWN BOTH FLEXIBILITY AND SOLUTION ORIENTATION"... "WE LOOK FORWARD TO CONTINUING OUR PARTNERSHIP IN THE FUTURE."

REFERENCE CASE: TROLLE & TROLLA FOR KLÄPPEN SKI RESORT

In the fall of 2023 Kläppen ski resort reached out to us asking us to help them create cuddly toys of their mascots Trolle and Trolla. We are incredibly proud and happy with how these fun products turned out. Please have a look at the products on the picture to the left. The following is a few words about our collaboration from Sara Bilare at Kläppen:

"We have had a very rewarding collaboration with Den Goda Fen in our joint project with Trolle and Trolla. Their ability to understand our wishes and realize them in the form of the stuffed animals that we are now so happy with, has been impressive. They have shown both flexibility and solution orientation, especially given our demanding and tight deadline.

Their quick feedback and clear, friendly communication have made us always feel well taken care of and secure in the collaboration. We look forward to continuing our partnership in the future."

OUR VISION

Our vision is to let children be exactly what they want to be. Therefore, in our fairytale world, nothing is impossible. In the land of fairytales, you can be a superhero one day and then turn into a unicorn the next. If you want, you can be both a dinosaur and a policeman at the same time. Nothing strange about that! And that's where that magic begins to happen, in being believed in and encouraged when imagination is allowed to run free and fantasies to flourish.

Our idea is to make reality a bit more imaginative and creative through soft and comfortable masquerade clothes and accessories that are both timeless and durable.

OUR CORE VALUES

-
- **IMAGINATION** A world where children gets to be whatever they want - whether it's an astronaut or a unicorn
- **DURABILITY** To create and provide comfortable dress up-costumes that can be worn and torn throughout play, for generations of fun
- **COMFORTABILITY** To create masquerade clothes so comfortable that they can be worn at all times, from kindergarden to bed.
-

OUR CSR WORK

-
- We want to contribute to a better world - and more specifically a better world for our children. We wish for all children to be free - free to be creative, free to live out their fantasies and of course also to feel safe enough to do so. Part of how we do this is by supporting a couple of organisations. Please read more about this by scanning the QR-code to the right.
