Product Catalog

7in1 Sand Toys (no. 99100201, 99200201, 99810201)

7-piece beach toy set including toys for digging, shaping, sieving, raking and transporting in a practical handbag format. Developed for great fun, with the smallest space requirement. Ideal for strollers and for camping or travelling.
Design and quality developed in Germany according to toy safety standard EN71.
Material: PP + TPE (available in blue, red and beige color)

7in1 Sand Toys *GREEN* (no. 99700401)

The 7in1 Sand Toys made of organic and eco-friendly material. Our bio-plastic is based on sugar cane, a renewable resource. It is sustainable and free of any pollutants.
Also new to this set is our Soft Touch, innovative and ergonomic handles with smooth grip. Tested and awarded the „SpielGut“ label.
Design and quality developed in Germany according to toy safety standard EN71.
Material: Bio PE + Bio TPE

Fishing Game (no. 98105201)

The popular fishing game rethought; whether indoor or outdoor, with or without water, there are no more limits to the fun of playing.
Thanks to the compact and handy concept, the game is easy to transport and quickly ready for use. In different game variations magnetic fish can be fished with the telescopic fishing rods. Design and quality developed in Germany according to toy safety standard EN71.
Material: ABS, PP + TPE
